

Racquet Re-stringing

SIGNUM PRO TORNADO 1.23 Gauge

A string with a heptagonal shape for added grab and spin. Features a soft and fairly lively feel and provides excellent access to spin.

\$45.00

BABOLAT PRO HURRICANE TOUR

This durable string offers excellent control and access to spin. Features an octagonal profile for increased ball bite. As used by Rafael Nadal and Andy Roddick

\$45.00

LUXILON ALU BIG BANGER Rough

A textured version of ALU POWER designed to grip the ball for increased spin. Not quite as durable as ALU power, but still a very durable string

\$45.00

KIRSCHBAUM SPIKY

With a patented design and an octagonal profile, Spiky Shark offers tremendous bite on the ball, creating excellent spin and control

\$35.00

WILSON SENSATION

Thinner version of Wilson's original multifilament string. Great spin, enhanced comfort and response.

\$35.00

KLIP K-BOOM

With a softer and more forgiving feel than traditional polyester strings, K-Boom features a co-polymer/polyester mix. A great choice for string breakers looking for something more arm friendly than traditional durability strings.

\$45.00
